

Madison Holiday Food Drive

Can you think of a friend who has a family member who has lost a job recently?

Can you think of a friend who is stressed out because their family is having trouble paying the bills?

Can you imagine why the loss of a job or limited money would make the holidays really stressful and upsetting for some Madison families?

And COVID has made everything more complicated!

For all these reasons, we are hoping that you will help our school community by donating to the Holiday Food Drive. Our food drive begins November 29 and will continue through December 14. All the food we collect goes directly to Madison families who need some extra support during the holiday season. Please see the back of this flyer for our food list. Each family we support receives EVERYTHING on the list, so we need a lot of help with donations.

Parents & Guardians: If you would like to donate food items or money to our food drive, please contact Audrey Wiltz at 541-790-4300. Money donations can be made [via SchoolPay](#), or by cash/check. If you have any other questions about the Holiday Food Drive, please contact Anne Tomlanovich, Madison school counselor, at 541-790-4347.

Thank you Madison community for your help with this important project!
